Owners of former Hillmoor Golf Course share their vision for the property

By Chris Schultz cschultz@lakegenevanews.net Jul 19, 2017

This is the vision developers have for the

For now, the owners of the former

map.

But those color changes represent the vision the new owners have for the property, which includes residential and commercial development.

On Monday, Paul Fitzpatrick, manager of Whiteriver Holdings, LLC, officially petitioned the Lake Geneva Plan Commission to change the southern portion of Hillmoor’s land use categories from the bright green of private recreational to the lilac of mixed planned development and the burnt yellow of two-family townhouse/residential. Whiteriver Holdings, LLC, now owns the former golf course.
